

HOW TO MAKE A GIFT OF STOCK TO PETA

DONATING STOCK THROUGH ELECTRONIC TRANSFER

- The best way is to have your broker transfer the shares (via DTC) to:

RBC Wealth Management

DTC# 0235

Attn: Joshua Levine

408-947-3311

Account: People for the Ethical Treatment of Animals
 # 315-90692

PETA's federal tax identification number is **52-1218336**.

To ensure proper recording and acknowledgement of your gift, it is important for you or your broker to contact PETA to let us know that the transfer is taking place, the name of the company and number of shares.

Contact Tim Enstice at 757-962-8213 or Legacy@peta.org for additional information on appreciated securities and seek the advice of your financial or legal advisor.
